Connecting disabled people together

Hello everyone! Imran here again!

The group had its first meetup get-together in May and went well, despite being a very small group with a low turnout from the public advertising. Let's make it a bigger group this time!

A new date has been arranged and scheduled for the first meetup get-together for Saturday, 19th of June 2021.

PLEASE NOTE: Please be aware that future lockdowns and more restrictions may affect the running of the group and may result in cancellations and suspensions of the meetup get-togethers at short notice. The meetup get-together on 19th June is planned to go ahead and you will be notified nearer the time if there are cancellations to any of our events.

For full details of the group's aims, objectives and demographics, please contact me on the contact details below, or view SocialLight's Meetup and Eventbrite pages.

This group is for members aged between 18-45 years old with disabilities only.

The group will be running once every month until further notice. Please view the below links for regular updates on dates and times for the group meetup get-togethers.

We will only be allowing and accepting 17 members maximum to attend only for each of our monthly meetup get-togethers until further notice. This may increase depending on the success of the group and subject to approval of the venue owner. Please view the below links regularly for updates and details.

HEALTH AND SAFETY

Due to events and the current situation regarding Covid-19, we ask you to please bring a face mask with you to our meetup events. You will not be compelled and obliged to wear the face mask for the entirety of the event but you may be required to wear the face mask at the counter when ordering your food and drink at the request and requirement of the venue.

First aid kits are provided and are available on the premises should any group member have any small, minor incidences and injuries. Any major, severe accidents or get into any emergency situations must be handled and dealt with by emergency and ambulance services.

There is a first aid qualified member of staff on-site.

There is also a defibrillator attached to the wall outside.

Members are now allowed to eat and drink from the disposable plastic takeaway cups and plates when dining on the premises. Please request for your food and drink to be served in the disposable takeaway utensils when placing your order at the counter.

If you are interested, please keep an eye out for updates and announcements and dates of the running of the group and venue details.

We are on Meetup and Eventbrite.

Please view our Meetup group page at: <https://www.meetup.com/SocialLight-Group/>

View our Eventbrite page at: <https://www.eventbrite.co.uk/e/158756776793>

Please remember to view each event's dedicated event page on Meetup and Eventbrite to RSVP and register your attendance and to view event details.

If you use WhatsApp, we have also set up a WhatsApp group for the group as well.

The system for new members to join the WhatsApp group has now changed. The group's joining link will no longer be used, and the group link has now been disabled.

New potential interested members are now required to contact me directly on the mobile number to express your interest and have an informal chat before being added into the WhatsApp group if you really want to start chatting, socialising and meeting everyone and make new friends right now!

Due to a high volume of calls and messages, please allow up to five days for a response and for your enquiry to be answered.

If you have any further queries and questions, please do not hesitate to contact me.
