

Delivered in partnership with

Date: Monday 14th February

Venue: 67 Clarendon Road,
London,
SW19 2DX

Time: 12pm – 3pm

Age: 8 – 25, parents

RSBC is holding a fantastic Assistive Technology workshop in partnership with Merton Vision.

Delivered by our Assistive Technology Officer, the workshop will be split into three groups and will cater for vision impaired young people aged 8-15 and 16-25, as well as training for parents to help them understand their child's technology needs.

We'll cover interactive games, tools and software for education and day-to-day life, and much more!
